# About us

Make your events an extraordinary experience that guests will talk about for a long time. Organize a conference, training or workshop in the American spirit and show that you have style.

You can choose from 6 different variable rooms. Some rooms have natural light and a private terrace that is perfect for BBQ. AV technology, Wi-Fi connection and air conditioning are a matter of course. In addition, well-thought-out modern technologies allow you to organize an online conference.

Offer to your guests American-style accommodation as well. Right at the entrance to the Comfort Hotel, you can enjoy a shining American veteran. Walk through the Broadway boulevard-style lobby on your way to the reception. Check-in kiosks are available here, so accommodation will be done quickly and without long queues.

The hotel is perfectly accessible not only by car, but also by public transport. The tram stop is located right in front of the hotel, and you can walk to the A Strašnická metro station in 5 minutes. If you go by car, there are also plenty of parking spaces.

Refreshments at events should not be underestimated. We will be happy to prepare catering according to your requirements. Italian, Czech or American-style cuisine is no obstacle for us. We will provide complete catering services so that your guests do not leave hungry.

Raise your event to a completely different level inspired by New York pop art.

We look forward to seeing you!

Your Comfort Crew
